

The Original Modular Flooring

Evertuff Roll Goods - Architectural Specification

Popular in Health & Fitness Chains, Weight Rooms and Ice Rinks, Evertuff recycled rubber flooring is a champion in a wide variety of applications. Manufactured from post-consumer SBR tire buffings, with small percentages of colored EPDM, Evertuff features a dense rubber core that provides excellent, high-impact durability and superior slip resistance in wet or dry conditions. Evertuff also combines anti-fatigue and ergonomic comfort properties with very low maintenance. Containing a whopping 60 to 85% recycled content range and low VOC emissions; Evertuff is widely regarded as the premiere "green" resilient flooring choice.

Features

- Dense Rubber Core
- Excellent, High Impact Durability
- Superior Slip Resistance In Wet or Dry Conditions
- Very Low Maintenance

Physical Specifications List

- Roll Sizes - 48" Wide
- Available in 24", 36", 48" Squared Mats or Interlocking Tile Form
- Roll Width - 2mm to 10mm
- Density - 62lbs/cu. ft.
- Tensile - 200 psi
- Coefficient of Friction - .057 Wet & .072 Dry
- Hardness - 62 Shore A

- Elongation at Break - 50% min.
- Compression Set - 12% or less.

Colors - Black with blue, red, green, eggshell, or gray flecks, and black with blue/gray combination
